

Nigerian Medical Association Germany Corporate Sponsorship Programme

Who are we?

The Nigerian Medical Association Germany e.V. (NMA Germany) is a non-profit professional organisation dedicated to promoting excellence in medicine, education, research, mentorship, and international collaboration between Germany, Nigeria, and the global healthcare community.

Our members include physicians, dentists, researchers, academics, and healthcare professionals working across Germany. Through conferences, continuing medical education (CME), networking events, mentorship programmes, and humanitarian initiatives, we strive to improve healthcare outcomes while fostering professional development.

We invite organisations, healthcare institutions, pharmaceutical companies, medical device manufacturers, recruitment agencies, insurance companies, financial institutions, NGOs and private partners to join us as sponsors.

Why Partner with NMA Germany?

Partnering with NMA Germany enables your organization to:

- Connect with a growing network of healthcare professionals across Germany
- Increase visibility within the medical and academic community
- Support continuing medical education and professional development
- Promote corporate social responsibility
- Contribute to healthcare initiatives benefiting both Germany and Nigeria
- Establish long-term relationships with physicians, researchers and healthcare leaders

Your support enables us to continue delivering high-quality educational programmes, conferences, mentorship opportunities and community outreach projects.
